To Whom it May Concern

I am pleased to write this open letter of recommendation for Mr. Craig Garrison who has been an administrator with Ibn Khuldoon National School (IKNS) beginning in September 2014 through August 2015. During his time with IKNS, Mr. Garrison was the Assistant Principal for the Secondary School (Grades 9 to 12).

Mr. Garrison is a big picture administrator with a strong educational background. He is particularly resourceful in finding practical solutions for immediate issues. He is also proficient in technology and its impact and applications in schools.

He is outgoing and finds it easy to develop relationships with faculty and staff. He is particularly good with students in groups and on one-to-one basis and clearly articulates school policies with students and parents in a friendly and professional manner.

He is dedicated and committed to enhancing the learning experiences of students and providing them with the support they need to succeed.

I wish Mr. Garrison success in his search for a senior management position.

Dr. Kamal Abdel-Nour
School President
